Subject: Assessment Endpoints Table

Hi Eric,

For Monday's Eco Team work session, I'd like to be able to modify the PH Assessment Endpoints Table (Table 2-1 in the LWG's 9/9/05 PRE) as we move through our discussion. I think I recall you saying that you had a Word document of that table. Is that correct? If so, can you send it to me and Aron? Aron will be helping with note taking during the meeting.

Thanks very much,
Mikell
